

West Elmira Computers Museum

December 2018 Newsletter

Application for Non-Profit Status Approved

The West Elmira Computers Museum was approved for non-profit status in the United States, back-dated to the date of application, October 29, 2018.

The WEC Museum Held Its Second Meeting

The second West Elmira Computers Museum meeting was held on November 31st. The minutes are available to view at <http://www.wecmuseum.org/minutes/12-31-18.pdf>

December Museum Additions

For games and apps see <http://cydoca.com/wecmuseum/du.php?id=wecmuseum> acquisitions

December 1st PlayStation Classic

Addendum

The 00 Dreamcast Volgarr discs purchased last month do not start on the GD-ROM of the museum's Dreamcast. None of the museum's Mil-CDs tested worked either. The laser needs to be recalibrated which should allow them to run. If not a second pressing will need to be done. In the latter case only the discs would need to have another run made as the printing of the case inserts and the cases themselves are in excellent condition.

Happy Holidays

The staff of the WEC Museum wishes everyone Happy Holidays and a Very Happy New Year
